

Incident Notification

Incident Date: January 1, 2024

Title: **Dangerous Occurrence - Ammonia Vaporizer Leak**

Description: A leak was discovered at "A" ammonia vaporizer at McClean Lake operation. Orano staff were wearing appropriate PPE and no exposures were identified.

Resolution: Staff immediately closed the isolation valve to the vaporizer and reported the leak to supervisors. There are no effects on the environment, health or safety. Federal and provincial regulators were notified. An investigation is on-going and a follow up report will be submitted to regulatory agencies.
